## ABOUT RIADCO

We are a pioneering company that has made a difference in the industry since 1981. We have found innovative solutions for organizations' latent and future needs by studying work environments and embracing new ways of working to create long-lasting solutions that bring people, space, and information together. Riadco is known for its revolutionary concepts, blending architectural power, mechanical engineering delicacy, and insightful business sense to reimagine possibilities for domestic and international projects.

## OUR PRODUCTION

The limitless manufacturing capabilities begin with a workforce of 500 skilled professionals operating 3 organized and efficient plants, spanning over 50,000 sqm, dedicated to wood panel, metalwork, and upholstery; ensuring high production rates to meet the diverse needs of our clients. Riadco has a vast network of showrooms across Egypt while distributing globally, guaranteeing utmost dedication to delivering exceptional craftsmanship, innovative designs, and quality.

# Light

## Light

Light is an executive collection where design and comfort come together for a pleasant and intriguing work environment that does not want to give up the elegance of shapes and colors. Light is a prestigious desk designed for contemporary and refined spaces. The work top of the desk, with an important thickness, is the focal element of the furniture, around which all the other elements develop harmoniously.

*Light-D-240*

The Light desk features a spacious design with a length of 240 cm, depth of 210 cm, and height of 75 cm. The desk has multiple drawers for organized storage. The side unit includes drawers and cabinets for additional storage. It provides extra workspace and a cohesive look. Both pieces blend functionality with style
