# Marble

## Marble

Marble is an elegant executive collection that is crafted from high-quality materials in response to the need for a prestigious and tastefully luxurious office, featuring a thick top made of poplar plywood sandwiched between MDF boards, veneered with thick Ash-tinted oak . The surface is characterized by longitudinal grout lines, giving it a unique slat-like appearance that exudes refinement and sophistication. The desk's design features a standard configuration that includes a box drawer and file drawer. This design ensures ample space to work and organize belongings, while maintaining a sleek and streamlined appearance.

One of the standout features of the Marble Desk is its distinctive design aesthetic. Marble desk is a sophisticated L-shaped desk that is constructed with a combination of plywood and MDF, veneered with thick Ash-tinted oak. The front panel of the desk showcases a black marble accent, adding a luxurious touch. The design is modern and minimalist, with clean lines and a functional aesthetic.
