ABOUT RIADCO

We are a pioneering company that has made a difference in the industry since 1981. We have found innovative solutions for organizations' latent and future needs by studying work environments and embracing new ways of working to create long-lasting solutions that bring people, space, and information together. Riadco is known for its revolutionary concepts, blending architectural power, mechanical engineering delicacy, and insightful business sense to reimagine possibilities for domestic and international projects.

OUR PRODUCTION

The limitless manufacturing capabilities begin with a workforce of 500 skilled professionals operating 3 organized and efficient plants, spanning over 50,000 sqm, dedicated to wood panel, metalwork, and upholstery; ensuring high production rates to meet the diverse needs of our clients. Riadco has a vast network of showrooms across Egypt while distributing globally, guaranteeing utmost dedication to delivering exceptional craftsmanship, innovative designs, and quality.
